**FOR IMMEDIATE RELEASE**

## **PAVEMENT REHABILITATION PROJECT ON STATE ROUTE 65 NEAR EXETER SCHEDULED FOR NEXT WEEK**

The Department of Transportation (Caltrans) announces a scheduled one way traffic control operation on State Route 65 near Exeter in Tulare County. This closure will be necessary to allow maintenance crews to conduct pavement rehabilitation operations within this area of State Route 65 near Exeter.

The following one way traffic control is scheduled for next week on Wednesday, July 27 and Thursday, July 28, 2011. (weather permitting):

**State Route 65 at the south end of Exeter in Tulare County at Firebaugh Avenue will be reduced to one lane on Wednesday, July 27, 2011, between the hours of 8:30 a.m. and 3:30 p.m.**

**State Route 65 just south of Exeter in Tulare County at Avenue 268 will be reduced to one lane on Thursday, July 28, 2011, between the hours of 8:30 a.m. and 3:30 p.m.**

**Closures may continue for longer periods of time if necessary, due to delays caused by weather or uncontrollable events that may occur during road maintenance procedures.**

Caltrans and CHP want to remind the public about the "Move Over" law signed by the governor in January of 2010, that requires motorists to slow down and, if safe, move over to a lane not immediately adjacent to a stationary CHP, Emergency or Caltrans vehicle displaying flashing warning lights. To date, 45 other states have enacted similar laws requiring motorists to move over or slow down. Violation of this law is punishable by a fine and citation. So remember...

**Move Over, It's the Law!!**
